

The Friends of St Martin's

The Friends Group, formed in 2013 as part of the 150th Anniversary Celebrations, supports St Martin's by;

- Bringing together people with a personal or family connection to the Church or visitors who wish to contribute to the preservation of this nationally important Church.
- Encouraging visitors to the Church and helping them appreciate the significance of the Church and its art and craftsmanship in its religious and historical context.
- Fundraising to help the Parochial Church Council meet the high cost of maintaining this 19th century church and ensuring that it meets the needs of a 21st century congregation.
